Lesson Day _____

Please comment on the lesson with regard to:

1. Clear **learning goals** for the lesson (even if not stated explicitly).
2. Connection to **prior learning** and establishing **context** (tie-in to earlier lesson and/or call up prior knowledge).
3. **Establishing how ready learners were** for the lesson (follow-up from previous lesson, or new test or question to find out).
4. Considering **what the learners were doing/asked to do**. Did this support the learning goals?
5. **Assessing student learning** of the lesson (questions, observations during tasks)?
6. **Ending** of lesson: did the ending feel complete, was there appropriate summary/wrap-up?
